

Privacy Policy

We take the protection of your personal data very seriously. The collection, processing (storage, modification, transmission, blocking and erasure) and use of your data shall only take place within the framework of the regulations applicable under data protection law.

Section 1 Collection of Personal Data

The collection, processing (comprising the storage, modification, transmission, blocking and erasure) and use of your data shall exclusively take place in compliance with the regulations applicable under data protection law, in particular the German Telemedia Act [Telemediengesetz – TMG], the German Telecommunications Act [Telekommunikationsgesetz – TKG] and the German Federal Data Protection Act [Bundesdatenschutzgesetz – BDSG]. Such personal data shall include, but is not limited to, information on the identity of a given, such as name, address, telephone and fax number, data of birth or e-mail address.

Section 2 Purpose of the Collection, Processing and Use

The personal data provided by you shall be collected, processed and used by us exclusively to the extent that this will be required to establish agreements, to formulate agreements and to modify agreements, to implement agreements and for accounting purposes.

To the extent that you have indicated your telephone number, we shall use such number only to contact you by phone in the event that any issues arise within the framework of the handling of payments (for ex. in any case of default of payment, return debiting or the like). If you provide us with an e-mail address, your e-mail address shall only be used for our correspondence with you. Any other use or passing on to third parties shall not take place, unless you have given your explicit consent to such procedures. The IP address shall only be used by us for the purposes of rendering the services and for accounting purposes.

To the extent that we engage any third parties within the framework of any contract data processing in accordance with Section 11 German Federal Data Protection Act [Bundesdatenschutzgesetz] to collect, process and use the data, this, too, shall exclusively take place with due regard to the statutory provisions on data protection.

Section 3 Rights of the User

With regard to the personal data, you shall have the rights guaranteed by the statutory data protection provisions, i.e. the rights of access, correction and erasure; such rights shall be exercised by means of a message to be sent through the post or by electronic mail to the e-mail address specified under section 4.
